What do TIGERS stand for?

Many people read the banner on our letterhead and ask about some of the characteristics we list on it (especially "Ganas"). Here is a reminder:

te·nac·i·ty

n : persistent determination

Tenacity-

We never let up. We strive to be the best people and players we can be and are determined to make the most of our talents. We can never get enough reps, never take enough shots, and never give up.

in·teg·ri·ty

n : steadfast adherence to a strict moral or ethical code

Integrity-

We believe that integrity is the foundation for a good life. We do the right thing, especially when no one is looking. We constantly work to develop character in ourselves and our teammates. We realize that those around us may take shortcuts, but we will be strong enough to do things right even if it means going against what our friends are doing.

***A Spanish word for desire, taken from the movie "Stand and Deliver"**

de·sire

n : the feeling that accompanies an unsatisfied state

Ganas-

We are never satisfied. We can always improve and can always find new ways to do things. We are hungry to succeed as a program and to help each other achieve our goals.

ex·e·cu·tion

n : to perform properly or skillfully the fundamentals of a sport or of a particular play

Execution-

We do the little things. We know our roles and are excited to carry them out for the good of the team. We realize that the time we spend in practice and the off-season prepares us to execute during games.

re·spect

n : a courteous expression (by word or deed) of esteem or friendship

Respect-

We have Respect for the Game. It is the cornerstone of our program, and it carries over into our lives. We respect other people and the community around us and realize that respect is something you earn.

sol·i·dar·i·ty

n : A union of interests or purposes among members of a group; fellowship of responsibilities

Solidarity-

We are there for our teammates and know they will be there for us. We cherish the time we have to spend with each other playing the game. We always remember that we are a part of something larger.
